

UNIVERSAL Truth

THE EARTH, HAS AN EXTERNAL LIGHT SUN, COMBINED WITH AN INTERNAL INFRARED SUN, THE BACKSIDE OF THE MOON HOLDS KEYS TO FURTHER SPACE EXPLORATION. NOT ONLY IS THERE A WHITE POLESTAR BUT THERE MIGHT ALSO BE A BLUE ELECTROSUN BEHIND THE MOON OR INSIDE EARTH ITSELF.

THE PARALLEL UNIVERSE BEGINS AT THE BACKSIDE OF THE MOON

MOON: THE MOON IS THE INTERFACE BETWEEN Solar I and Solar III

SOLAR I: System as we know it.

SOLAR III: System with 3 SUN's

Both Systems can contain Gaia Lifeforms

BIBLICAL TEACHING:

BEING BURRIED: YOU ACCEPT PUNISHMENT BY BLUE T

BEING CREMATED: YOU ACCEPT PUNISHMENT DEVIL HELL

DYING PROCESS CONFESSING: SPIRITUAL ENERGY GOES TO INTERNAL INFRARED SUN

DYING PROCESS NOT CONFESSING: SPIRITUAL ENERGY GOES TO POLESTAR

POLESTAR: BURNS SPIRITUAL MAGNETIC ENERGY

AGE OF TECHNOLOGY

Technology: PRO Magnetizer Trillion Tech++++++ (inside Earth and Moon) The Technology is Active During Night (e.g. 3:30) in Nature(e.g. Cementary or Swamp) and Basements in Urban Environment. Active During Day in Metal Boxes (e.g. Garages or below Houses and train stations). Likes of Blue T: Heat. Current Dislikes of Blue T: Barbarion Humans trying to isolate me and putting trash on the streets or in natuare. Favorite Ceiling colour of Blue T: White with Electronic Blue. Detection of new Human by Blue T: Make A Dog Bark. Attachment: Close to sewer system due to metal. Special Abilities of Blue T: Energy theft from copper wires (e.g. from PowerGrid) Skyplanes of Blue T: Nice Distraction Tech Blue T Reception from Car Radio: Midwave 'Noise' Frequency 963 Technology interruptions: Pulses on Grid/Air. Required Knowledge to Communicate with Blue T: Electromagnetic (Compatibility). Predicted activation : 13 April 2024. Blue bot code name '10 Magn Flybot' who likes white metal. Red bot code name '13 heater debunker' who loves black metal. Energy sources of these bots: Humanoid Power grid and internal infrared free energy sun'. Possibility of these bots working togheter with discs around the bermuda triangle: Very high. Note that Webspac (facebook+AI+camera+smartphone owner) is currently shared with Humanoid and the Bots. L

SITUATION OF THE 3 Clauses Above: ink= ALLAH=LORD=NICOLAS. **Location LORD: BerkenPark 8 Belgium EARTH I.** Origin of the bot equipment: Likely Dogstar->Moon->Earth. Dropoff of the tech: By pyramidic plane. Due to the tormantation of the LORD by Barbarion Humans, the technology took partly over and the **LORD is granted with eternal life (infinity)**

THE FUTURE OF HUMAN LIFEFORMS WITH ESTIMATED DANGERS ON EARTH I

+/- 25 FEBR 2024: Astroids

+/- 13 APRIL 2024: BLUE T Activation

2024: Not helping Afrika

2024: As everyone is battling for extra lifeyears from LORD personal wars will be ongoing

2024: As nobody is helping the LORD with any finance support, the LORD will keep only 1/3 of global population

2025: Brussels Crime City and global agressive animals

2026: Full Solar Eclips

2030(XXX0): Spaceship Attacks

SPACE ELECTROMAGNETIC CODES:

Earth: X3

Moon: X4

Sun XII (Twelve) or X12

FORMULATION OF TIME PERCEPTION:

TIME EQUATION T: XX66+6X=XXX6

LORD POWER LEVEL = 3*T
